In a quiet little lea, several miles out of town, a tree grows. It becomes home to sparrows, chipmunks, a whopping big bee . . . a runaway clown? Two poodles? An ape?

Wait a minute. . . .In his quirky but realistic style, Rex creates the greatest show on earth--or at least, in a tree. The surprising text is part word game, part counting game, and part mystery. The illustrations are pure, beautiful mayhem, loaded with boisterous energy and cunning little critters that readers will love to chase through the pages.
