At Christmas anything can happen: Scott creates a crisis for his family when the only thing he wants for Christmas is a unicorn. While spending Christmas in England, John meets a family from Cromwell's time. A ghost appears to Rose Lee just before Christmas and desperately tries to get her attention. Christopher goes out to his back yard to meet space aliens who have just landed on Christmas Eve. Martha searches her house for a treasure that a professional wise man says can be found in her home. Danny, a teenage boy genius, uses his time machine to see the future of Christmas. Charley meets a strange dog just before Christmas whose eyes turn red when aroused. This volume contains fifteen tales that catch the mystery, enchantment, and hope of the Christmas season for readers of all ages.
