A gorgeous, evocative biography of one of America's most beloved artists. Georgia O'Keeffe saw the world differently from most people. As a child she roamed the prairie with a sketch pad in her hand, struggling to capture on paper what she saw all around her. At art school she learned to speak in paint on canvas. But Georgia felt confined by

city life. She longed for vast expanses of space, and she found it in the red hills and silent deserts of New Mexico. Lyrical and vivid, this is a portrait of an exceptional artist, a woman whose eyes were open to the wideness and wonder of the world.

O'Keeffe was born at a time when women were not allowed to vote.Women artists were unheard of,and even considered freakish.也算跨越時代的新女性。
