出版时间:2005-9

装帧:LIB

isbn:9780737732207

This new series is inspired by the highly acclaimed Opposing Viewpoints series, which explores important issues, placing expert opinions from a wide range of sources in a unique pro/con format. Like its predecessor, Introducing Issues with Opposing Viewpoints promotes issue awareness as well as critical thinking. Even more user-friendly and accessible than its parent series, it offers a wealth of information, at a lower reading level, in a bright, engaging package. This appealing combination helps even more students grasp the controversies of our increasingly complex world.
