I'm at the end of my rope Like getting shipwrecked and surviving a hurricane weren't bad enough Now I've got to support my sort of boyfriend's plan to get off this island, even though I think his idea's kinda lame. But with everything going so well between us, I don't want to rock the boat...er...make waves...well, you know what I mean Especially with Evil Angela supporting Josh's plan all the way. I wish I knew what to do. The stakes are pretty high now. And I can't help wondering if maybe, just maybe, there's another way to get back home....
