James Edward Bristlefur is living like a king. The sophisticated secret agent has won a competition to be the new spokescat for the delectable cat food Le Chat Gourmet. (He looks fabulous, even if his humans insist on calling him Mr. Stink.) So the Green family is off to France, the land of fine food and beautiful felines. What starts off as a pleasant holiday takes a sinister turn as a mysterious assassin shadows Mr. Stink's every move. Who is the dark figure lurking in the background? A secret in Mr. Stink's past will soon be revealed, and the hidden paw will at last appear. In his most thrilling adventure yet, the international cat of mystery is about to find out who he really is.
