Need to get started working with Word 2003 quickly? If so, this FastCARD is the perfect tool for you. Our quick start guide gets you started by showing you how to work within the Word 2003 window to view and create text-based documents. It guides you

through formatting text, applying styles, and customizing page alignment. You'll learn how to insert document objects such as tables, hyperlinks, and graphics, as well as how to proof and print your final output. There's even a section with answers to the most frequently asked questions by new Word 2003 users. Need a Custom Solution? All of our quick reference guides can be branded or customized to meet your organization's needs. We can add your logo, corporate colors, help desk information or tailor the content to meet your requirements. The process is simple and easy. Contact your sales representative to get started. Minimum order 1000 guides.
