Come Look with Me: Discovering Women Artists for Children introduces children to twelve important works of art. The Come Look with Me series of interactive books from Lickle Publishing offers both children and adults a whole new way of encountering works of art, one which engages the imagination as much as the eye. Well suited for both individual and classroom use, Discovering Women Artists for Children pairs great works of art with thought-provoking questions. Children will share the excitement of Sofonisba Anguissola and her sisters; and feel their determination as they play in The Chess Player. They will relax with Mary Cassatt in The Tea Party, looking at how women

lived, and ask questions about the roles women take.
