出版时间:2006-1

装帧:Library Binding

isbn:9780791088371

These riveting personalities each achieved excellence, but even greater than their individual accomplishments is the positive Hispanic image they collectively represent to the world. Photographs, illustrations, and lively text tell the stories of these fascinating historical figures. Dali's precise style of painting enhanced the dreamlike quality of many of his pieces, including his work with melting clocks, which became a symbol for the entire surrealism movement.
