

Pocket Scientist

[Pocket Scientist_下载链接1_](#)

著者:Mayes, Susan

出版者:Edc Pub

出版时间:2003-1

装帧:HRD

isbn:9780794501488

This pocket-sized guide tackles the mysteries of everyday things, from nature to science and technology. The simple text and bright, detailed illustrations combine to answer questions in clear, step-by-step stages. You can listen to the noises whales make, watch a movie about how bones heal and see amazing pictures of the moon, via the Quicklinks Web site.
