The tale of a boy who is fed up with his hyper-competitive parents.

Moving to a new neighbourhood and a new school, Louis’ s parents become ultra-competitive parents, wanting him and his brother to get straight As at school and join all sorts of after-school clubs and activities like the other kids in the neighbourhood. Suddenly Louis’ s life is no longer his own. Then he meets Maddy, who claims to have trained her parents to ignore her. But does Louis really want to be ignored?
