The Kate Greenaway Medal winner is now available in a vibrant pop-up edition, featuring ten pop-up scenes.

Lola is a fussy eater. A very fussy eater. She won't eat her carrots (until big brother Charlie reveals that they are really orange twiglets from Jupiter). She won't eat her mashed potatoes (until Charlie explains that they are cloud fluff from the pointiest peak of Mount Fuji). There are many, many things Lola absolutely will not eat, including — and especially — tomatoes. Or will she? Kate Greenaway Medalist Lauren Child cooks up a witty treat for picky eaters and the people who love them.
