isbn:9781570915857

Every morning Molly's parents remind her to come home after school with her mittens, and every day Molly forgets. Nothing works--not Velcro, not crochet chains, not even duct tape But, Molly is not alone. All the kids at school forget, and soon there is a

mountain of mittens in lost-and-found that has grown out of control. Warning: Lynn Plourde's story is so distractingly funny that you might misplace your own mittens
