From the weird and wonderful imagination of an amazing new artist comes an alphabet book like no other. Kids will delight in discovering animals from A to Z living together in an old Victorian mansion. They'll meet an elephant in the ballroom playing

with a model train, an octopus hanging from the foyer chandelier -- and even a zebra enjoying a soak in the bathtub Using watercolours and colored pencils, Wallace Edwards has created a bizarre and luxurious world, rich in texture and detail. An engaging mix of art and alphabet book, "Alphabeasts" provides the basis for hours of animated discussion and quiet contemplation.
