isbn:9780971945807

In this fine short-story collection, 29 Filipino American writers explore the universal challenges of adolescence from the unique perspectives of teens in the Philippines or in the U.S. Organized into five sections--Family, Angst, Friendship, Love, and Home--all the stories are about growing up and what the introduction calls "growing into Filipino-ness, growing with Filipinos, and growing in or growing away from the Philippines...." The stories are delightful (Booklist)
