A sixteen-year-old will give anything to be with her true love--even though he died two hundred years ago. . . . A sopping-wet little dead girl stalks a teen who had nothing to do with her death--honest! . . . A heartless man dances with his wife-- after she's passed away.

From the hilarious to the horrific, master storyteller Vivian Vande Velde explores the world of the dead--and the undead--in this surprisingly moving collection of unnerving tales.
