Angel Morgan's family is falling apart. Her daddy is in jail, and her mother has abandoned Angel and her little brother, Bernie, at their great-grandmother's crumbling Vermont farmhouse. Grandma spends most of her time wrapped in a blanket by the wood stove. There is one bright spot in Angel's world -- a mysterious stranger who teaches Angel all about the stars and planets and constellations. Carving out a new life proves harder than Angel ever imagined. But she feels a tiny spark of hope when she remembers what the stranger said -- that she is made of the same stuff as stars.

quote: Beautifully written, wonderfully told.

一个让人从悲伤现实中看到温暖和希望的故事。You are made of the same stuff as stars. Isn't that nice? Everything is going to be fine, more than fine.
