Bo has been at war with his father for as long as he can remember. The rage he feels

gives him the energy as a triathlete to press his body to the limit, but it also translates into angry outbursts toward his teachers. Now dangerously close to expulsion from school, Bo has been assigned to Anger Management sessions with the school "truants." With an eclectic mix of hard-edged students, Bo may finally have to deal with his long-brewing hatred for his father -- before it eats away at him completely.
