出版者:Scholastic

出版时间:2004-12

装帧:HRD

isbn:9780439624985

This lyrical text focuses on activities that Barney's audience is becoming proficient at--building towers, riding tricycles, kicking and catching balls, etc. These Barney board books are based on five essential building blocks--sharing, caring, imagining, dancing, and learning--which together provide all the developmental skills children need in their formative years. Barney is a trusted friend--and a valuable resource to give a helping hand to growing children.
