Anthony has a bucket, a shovel, and a really big car. But the girls playing in the sandbox don't look. They don't even look when attention-seeking Anthony does his best trick. Is there anything he can do to turn their heads his way? In dazzlingly deadpan text and art, Ole Konnecke hilariously demonstrates how easy it is to stumble when trying too hard to make a splash. After all, as parents know and children will learn, it's not about what you've got but about how much heart.
