著者:Roensch, Greg

出版者:Rosen Pub Group

出版时间:2003-8

装帧:LIB

isbn:9780823939718

Called the Crime of the Century, the kidnapping and murder of the Lindbergh baby was a crime that is still talked about today. The investigation and trial that followed impacted our culture as no other before. Using primary source documents, this book provides the background on the American aviation hero and his family, information on the investigation and ransom notes, courtroom testimony, and the discovery of the baby's body.
