装帧:LIB

isbn:9780822546641

With large, vivid photographs that correspond to simple, short sentences, Start to Finish reveals the life cycles and processes behind the common, everyday things that beginning readers see in the world around them. Supports the national science education standards Unifying Concepts and Processes; Form and Function; Science as Inquiry; Life Science; and Science and Technology as outlined by the National Academics of science and endorsed by the National Science Teachers Association.
