This title is intended for ages 3 to 6 years. The story follows five-year-old Daniel as he leaves behind pre-school and enters kindergarten full of questions and fears. Children will relate to Daniel as he wonders: Where will I sit on the school bus? Will my teacher be nice? Will I make friends? With the encouragement of his Mum and other people in his community, Daniel begins his first day of school, and all of his fears disappear as he discovers that kindergarten is fun.
