The four award-winning Uncle Remus books--now in one volume with a new introduction by Julius Lester

Brer Rabbit is causing trouble again for his fellow creatures Brer Fox, Brer Wolf, and the rest--this time in an omnibus edition that brings together all the stories from Tales of Uncle Remus , More Tales of Uncle Remus , Further Tales of Uncle Remus , and Last Tales of Uncle Remus .

The Uncle Remus tales, originally written down by Joel Chandler Harris, were first published over a hundred years ago, and serve as the largest collection of African-American folklore. In this four-book series, Julius Lester masterfully retains the flavor of the tales, while dropping the heavy dialect of the Harris originals and adding contemporary language and references-- ensuring that the stories will be understood and enjoyed by new generations of readers. And, of course, the stories are beautifully illuminated by the slyly humorous full-color and black-and-white art of Jerry Pinkney. The result is a treasure of a volume that will delight all ages and belongs on every shelf.
