Here are three fun stories new to the Pictureback and CD format. First, Thomas likes to go fast, but when he has to deliver a load of eggs, he must go slow, or the eggs will be scrambled! Next, Emily's new route takes her past the Black Loch, which she hears is the home of a monster! And finally, Percy believes a rumor that he is to be sent to the scrap yard and decides to run away. Filled with gentle humor and lots of photo illustrations, these tales are perfectly suited to Michael Brandon's storytelling on this brand-new CD.
