Greg convinces Chris to audition for the school play in "Everybody Hates Romeo and Juliet." After all, it's a sure way to get girls, Greg says. But Chris thinks he's met the girl of his dreams when a new family moves into his building. The only thing standing in his way is the fact that Janelle's family has a longstanding feud with his mom, Rochelle. That feud is soon broken, though, when Chris saves Janelle from drinking some spoiled milk. He really will get the girl this time -- or won't he?
