Mina Mooney has big plans for infiltrating the social glitterati at Del Rio Bay High--with a little help from her playground peeps Lizzie, Michael, and JZ. But it isn't long before Mina's big plans take a back seat to some unexpected drama. Lizzie's scored an invite from the beautiful people that Mina can only dream about, and not only is Michael tripping about being back in school, but now he's beefing with JZ. Worst of all, Mina's sociology class experiment to rid Del Rio Bay High of prejudice is about to backfire--because it might just mean she'll have to rid herself of her very best friend.
