Tumbling tigers, happy hippos, rumbling rhinos and more! These lively animals and other creatures will help youngsters to count from one to twelve with the clever cockatoos. A delightful companion to Stephanie Bauer's "Alligator Alphabet", "Counting Cockatoos" also includes a colorful counting frieze. This work: teaches

numbers up to twelve; introduces different animals; encourages reader interaction - two cockatoos hidden on every page; features Stephanie Bauer's child-friendly art; and is a companion to "Alligator Alphabet".
