When Sam learns that Transformers are descending upon Earth in search of the Allspark, he knows he must help save the human race from complete destruction. It will take the force of the United States government, a team of code-cracking scientists, and the help of the Autobots to stop the evil Decepticons. Will they get to the Allspark in time, or will the Decepticons take over the world? Relive the excitement of the big screen adventure with this storybook
