Things change so suddenly. one day Hanna has a long-term boyfriend; the next, she realizes she doesn't have strong feelings for him and breaks up with him. one day Hanna trusts her two best friends completely; the next, all of that trust is toppled. And then Hanna finds herself the bearer of a major secret: she was the last person to see two teenagers before they died in an accident on the icy lake. she can't tell anyone, so when Hanna finds herself drawn to will, the elusive boy she's noticed around town, the kind of boy who'd increase any girl's pulse, she doesn't hold back. what she learns about him will astonish her. but what she learns about herself—her friendships, her family, her life—will affect her far more.
