Hannah West, a twelve-year-old adopted Chinese daughter of Maggie West and aspiring detective, is back on the scene in a third original adventure. Someone is kidnapping canines, and it has got the dog-crazy denizens of funky Fremont where Hannah and her mom have landed their latest house-sitting gig all riled up. At first, Hannah has in heaven in dog-filled Fremont, but when her dog-walking business marks her as a suspect in the dog-nappings, she knows that this is one case that she has got to get to the bottom of for her own sake, as well as for the sake of her canine companions.
