装帧:Pap

isbn:9780756630164

A photographic paperback series designed to introduce the fascinating world of animals and how they develop. In this informative and highly visual series, appealing step-by-step photography allows children to see a butterfly emerge from its cocoon and spread its wings, or see what happens when an egg hatches and a chick emerges. Each book comes with a sticker sheet packed with cute images of the animals featured in the book.
