The four volumes of Andrea Spalding's Summer of Magic Quartet are among her most exciting work. The White Horse Talisman was nominated for the Silver Birch, Hackmatack and Manitoba Readers' Choice Awards. Dance of the Stones was also a Silver Birch nominee. Heart of the Hill left one of her four characters in grave danger. Now, in Behind the Sorcerer's Cloak, as the Dark Being discovers our planet and takes one of the children hostage, the others must restore the balance between light and dark, but at what cost? Andrea Spalding has written many beloved books for children. She hails from England, where she was long steeped in ancient lore. The landscape of the Quartet is the landscape of Andrea's childhood. She and her husband, David, returned to England four times to research the four books of the series. Andrea lives with David on Pender Island, British Columbia.
