Animal Show and Tell is a charming introduction to animals and the primary grade science curriculum. Young readers will gravitate to the colorful, full-page photographs. The simple text, told from the animals' point of view, introduces readers to animal characteristics and habitats. Each book in the series includes: - Simple text presenting key facts about animal characteristics and behavior- Content that supports NSES standards for science as inquiry- Full-page, close-up photographs of each animal- Animals grouped by habitat, environment, or special features
