The Acquirer's Multiple: How the Billionaire Contrarians of Deep Value Beat the Market is an easy-to-read account of deep value investing. The book shows how investors Warren Buffett, Carl Icahn, David Einhorn and Dan Loeb got started and how they do it. Carlisle combines engaging stories with research and data to show how you can do it too. Written by an active value investor, The Acquirer's Multiple provides an insider's view on deep value investing. The Acquirer's Multiple covers:

How the billionaire contrarians invest

How Warren Buffett got started

The history of activist hedge funds

How to Beat the Little Book That Beats the Market

A simple way to value stocks: The Acquirer's Multiple

The secret to beating the market

How Carl Icahn got started

How David Einhorn and Dan Loeb got started

The 9 rules of deep value

The Acquirer's Multiple: How the Billionaire Contrarians of Deep Value Beat the Market provides a simple summary of the way deep value investors find stocks that beat the market.
