This book is intended for ages 5 to 7 years. As her Grandpa naps on the sofa, Lizzie minds the family antique store. When the extravagantly rich Mrs. Bradley Larchmont III enters the shop and begins a buying spree, she refuses to leave without bargaining for an unexpected item ...Lizzie's Grandpa! As the stakes rise, Lizzie imagines all of the fabulous things she could buy with the money she is offered. But what fun would a sailboat, an ice cream parlour, or an amusement park be without Grandpa? Readers will enjoy the clever play between grey tones and vivid colour that illustrates Lizzie's growing conflict. This farcical storyline, coupled with vibrant paintings, ultimately stresses the importance of family and friendship over material possessions and selfish, money-driven desires.
