WHAT IS PEACE? for ages 5 to 11 is Etan Boritzer is the eighth title in the best selling What is? series on character education and values. In this book Etan again tackles tough issues, this time taking on the themes of anger and conflict, non-violence and compromise, and how to develop an unselfish attitude towards others. Is being

peaceful only a quiet thing? How can we be both peaceful and brave in standing up to bullies, or just in dealing with the chaotic world we live in? WHAT IS PEACE? best selling open questions approach allows deep discussion opportunities for both children and adults. Gently suggesting answers and peeling apart multiple layers of thought, WHAT IS PEACE? is a book you will be able to visit again and again with your child in helping to develop wholesome critical thinking on this most important and timely subject.
