

# Awake to Nap

[Awake to Nap\\_下载链接1](#)

著者:McClure, Nikki

出版者:Transition Vendor

出版时间:2006-10

装帧:HRD

isbn:9781570615078

This striking, high-concept board book showcases McClure's distinctive collection of alphabet papercuts. Created while her son was napping, each is accompanied by a letter of the alphabet and features a baby exploring the world in some way. Charmingly, the book ends at the letter N, when baby nods off to sleep.
