isbn:9781591474821

Annie is really smart, but she needs a plan for focusing on her work at school and getting her homework done and turned in. "Annie's Plan" spells out a 10-Point Schoolwork Plan and a 10-Point Homework Plan that will help her - and her readers - master the organizational and study skills that spell school success. Each point of the

two plans is detailed in a ten-page Note to Teachers and Parents in the back of the book.
