JESS MASTRIANI knew she wasn't going to be able to hide her psychic powers from the U.S. government forever. But she never thought that she and Dr. Krantz, the special agent brought in to convince Jess to join his elite team of "specially gifted" crime solvers, would have something in common. When a local boy's disappearance is attributed to a backwoods militia group, it turns out that Jess and Dr. Krantz have the same goal. Suddenly Jess finds herself collaborating with one enemy in order to stop a far worse one. In an atmosphere of hate and fear, Jess and Dr. Krantz must work together to unite a community and save a life...without losing their own.
