In a series of adorable Level 1 Ready-to-Reads, award-winning author Patricia Lakin and the ever-talented Brian Floca tell the story of two hamsters who live in a classroom as pets. Mo, a hamster who likes to know things, and Max, a hamster who likes to make things, team up to bust out of their cage and explore their art class/home during holiday time. In each story, these furry friends learn about a holiday and make a tie-in craft that readers learn to make too, thanks to Patty's simple instructions in the back of each book. Max and Mo's First Day at School It's back-to-school time for Max and Mo. This year they are living in the art room. Now they have to make new friends, but how will these big ones learn their names?
