Dicky Donkey drives everyone crazy! Each morning, they wake up to: "EEE-ORRH! EEE-ORRH!" All the neighbours want to send Dicky Donkey away. Then one day, Dicky Donkey opens his mouth and nothing comes out. He has lost his Eee-orrh! His owner

has to take him to the animal hospital. Poor Dicky Donkey! But the neighbours soon realise they really miss their early morning wake-up call. How Dicky Donkey gets his eee-orrh back and makes all the neighbours happy again is wittily and endearingly told in this fantastic board book from top author/illustrator Lydia Monks.
