Tacky is an odd bird who marches to the beat of his own drummer. He's something of

an eccentric, which wouldn't be a problem if all the other penguins weren't such . . . conformists. Listen and laugh along to the first Tacky story on CD. This Read-Along Book and CD Favorite includes a paperback edition of the book and a compact disc in a newly designed reusable package, making it perfect for car rides, storytime, and bedtime.
