""Pam's books have wide appeal to boys and girls, to avid and reluctant readers, to teens and to younger children who are looking for a challenging high-interest book." - The Bookmark Fifteen-year-olds Jake and Peter share a burning desire to excel at as many extreme sports as they can, and to surpass each other in the process. They always seem to land themselves in the middle of an action-packed, adrenaline-pumping adventure while they're at it. In BMX Tunnel Run, the latest installment in Pam Withers' highly acclaimed series, the daredevil duo discover an underground maze of mining tunnels. Jake and Peter ride through their latest escapade on BMX bikes -- underground.
