著者: Birch, Beverley/ Williams, Jenny/ Shakespeare, William

出版者: Trafalgar Square Books

出版时间: 2007-10

装帧: Pap

isbn: 9780750250399

This atmospheric retelling of the powerful and action-packed tale of the murderous king of Scotland bewitched by ambition, captures the heightened emotion of Shakespeare's classic of English literature. Echoing the language of the original it makes an ideal introduction to the play for all readers new to Shakespeare. Newly illustrated with striking black-and-white illustrations, this retelling was previously published in the collections "Shakespeare's Stories: Tragedies", and "Shakespeare's Stories".
