著者:Goodman, Polly

出版者:Black Rabbit Books

出版时间:

装帧:LIB

isbn:9781842344637

Five new titles have been added to this unique series that lets young readers

experience what life is like in other countries, told through letters that children have sent to their pen pals. Each book describes the child's home, a typical school day, playtime activities, favorite meals, a recipe for a common cultural food, and more.
