For anyone who'd rather be reading than doing just about anything else, this book is

the ultimate must-have. In this visual ode to all things bookish, readers will get lost in page after page of beautiful contemporary art, photography, and illustrations depicting the pleasures of books. Artwork from the likes of Jane Mount, Lisa Congdon, Julia Rothman, and Sophie Blackall is interwoven with text from essayist Maura Kelly, bestselling author Gretchen Rubin, and award-winning author and independent bookstore owner Ann Patchett. Rounded out with poems, quotations, and aphorisms celebrating the joys of reading, this lovingly curated compendium is a love letter to all things literary, and the perfect gift for bookworms everywhere.
