Everyone at Horseland ranch is getting ready for a trail ride and campout. But when Will inspects Chloe and Zoey's saddlebags, he finds hair dryers and MP3 players instead of camping equipment. To make matters worse, the girls can't believe that they have chores to do on this trip! Chloe and Zoey shirk their duties and don't put out the campfire completely. When a forest fire breaks out because of their carelessness, the girls learn a valuable lesson about responsibility!
