First published by Viking in 1967, *The Outsiders* immediately resonated with young adults. This groundbreaking novel was like nothing else out there—it was honest and gritty, and was a deeply sympathetic portrayal of Ponyboy, a young man who finds himself on the outside of regular society. Forty years later, with over thirteen million copies sold, the story is as fresh and powerful to teenagers today as it ever was. Celebrate the fortieth anniversary of a classic with this stunning edition, featuring the original cover.
