As the day comes to an end, each precious little animal nestles into its cosy place and waits to be tucked in by its parent. Bears, horses, bunnies, ducks and even snakes and spiders request the required number of goodnight kisses to egt them to drift off to sleep. From one to ten (and then some!) these tender kisses are part of a reassuring bedtime ritual for animals and people alike. Readers will delight in counting the kisses and naming the animals and the adorable illustrations and soothing text make this a perfect bedtime story, helping parents create a special ritual to get their little ones off to sleep.
